COMPANY VISION & MISION

VISION

To become a reliable, trusted, and capable Employment Service Company that is able to bridge Indonesian Manpower to the world of work at home and abroad in a professional, effective and efficient manner according to the needs of service users.

MISION

1. Become one of the Manpower Service Companies that can empower and improve the living standards of small communities.
2. Assist the Government in channeling productive Indonesian human resources, both domestically and internationally.
3. Bridging the community (prospective workers) to the world of work and helping companies that use labor services to get the best workforce, effectively and efficiently.
4. Participate in supporting Indonesia's economic growth.
5. Contribute to stakeholders, employees, society and the Government.
6. Develop the competence and competitiveness of Indonesia's productive human resources so that they are able to take part in the global arena, which in turn can make a positive and significant contribution to the Nation and State.

COMPANY MOTTO

" SERVING AND BRIDGING MANPOWER TO THE WORKING WORLD "

COMPANY GOAL AND BUSINESS

COMPANY GOAL

1. Becoming one of the Employment Service Providers that can improve the living standards of small communities.
2. Assist the Government in creating jobs.
3. Improving the effectiveness and efficiency of the use of human resources through manpower training programs, so that they are able to become competent, work ethic, and dedicated workers, so that in the end they are able to participate in all economic sectors in order to achieve physical and spiritual well-being.

COMPANY BUSINESS OBJECTIVES

1. To become one of the reliable and professional Employment Service Companies in Indonesia and abroad.
2. Contribute to stakeholders, employees, the community and the Government, which at the same time support the growth of the Indonesian economy.
3. Develop the capabilities of Indonesian human resources so that they are able to compete in the global market and can provide optimal contributions to society, the nation and the state.

PARTNERSHIP ADVANTAGES WITH ANDALAN MITRA PRESTASI

Multinational Company

Established and headquartered in Padang, West Sumatra Region of Indonesia, it does not become a barrier for the Company to accelerate its work in the service business world in the field of employment to have dozens of branch offices in major cities in Indonesia, as well as having subsidiaries abroad (Kuala Lumpur).

Competent since its establishment

Our company has played a role in bridging the workforce with working world since its establishment in 2000. With a number of placements up to tens of thousands workers, the Company has shown proven performance. This is supported by many partners with overseas placements in various countries, with a record a credible and trusted footprint of partnerships and placements.

Good Arrangement

We are committed and consistent in upholding compliance with laws and regulations that apply both in Indonesia and Destination Country Placement, in line with that the Company Implements an integrated quality management system withInternational standards: **QMS ISO 9001: 2015** and **OHSAS 18001: 2007** (Occupational Health & Safety Advisory Services). List attached.

Social and Economic Impact on the Country

The Company's work program has helped the government's program to reduce unemployment which has an impact to economic growth which at the same time brings in foreign exchange from abroad so that it has a broad impact on the underprivileged in life and state. Beside, returning abroad has an impact on technology transfer and improving the quality and competence of Human Resources who are then able to be independent and even create jobs.

Have a Manpower Skills Training Institute

Our company prepares and places workers according to Users company needs or requests, especially to get what Overseas market needs so we need to prepare it according to competency qualifications, we do it through our Manpower Skills Training Institute, namely LPKTK – AndalanMitra Prestasi

We have Security training, occupational health and safety training, Cleaning Service training, and Japanese Language Training. In addition, we also collaborate with other educational institutions and vocational training centers in Indonesian.

ABOUT INDONESIAN WORKERS PLACEMENT ABROAD

PT. Andalan Mitra Prestasi had been placed Indonesian migrant workers abroad since 2000, however Directors and Staff had an experienced since 1993 with branch offices in West Sumatra, Bengkulu and Jambi. Until now we have put around 45.000 Indonesian workers abroad and majority around 98% to formal sector for Skills ,Semi Skills and general worker categories and others as an **Electronic Operators, Semi Electronics, Gloves, Garments, Plastics, Restaurants, Construction, Plantations, Livestock, Cleaning Services, Oil & Gas, Security, Driver, Hospitality and Etc.**

Indonesian migrant workers that we have recruit come from our branch offices spread across Indonesia according to their respective potentials regions apart from West Sumatra.

The destination country for formal sector is majority in Malaysia and other part in Brunei Darussalam.

For the informal sector, we only go to Malaysia and Singapore and the Worker that we have prepare are only from West Java and Central Java.

Recently, we are developing destination country for the placement in Japan and also for the last 2 years we have started preparing candidates worker who are interested in Japanese Language at our Institution, LPK Andalan Mitra Prestasi.
